Responses to evaluation question: "The thing I liked best about the workshop . . ."

- Very engaging topic, excellent speaker with dynamic presence and command of subject. Margo Johnson
- Related to real life and how to be stress- free. I liked the fact that thing you suggest are so simple. I will definitely incorporate them into my life. Thank you so much for speaking to PWG today! Keep up the great work you are doing because you are AWESOME!!!! Rochelle Ward
- Very positive. Keep up the good work. Farhonda Robinson
- Being a motivational speaker who was overworked in my 9-5 job, I was reinvigorated. I have a lot more soul-searching to do. Your Aura and compassion will bring you to your place of continual joy. You have already earned your wings. Dolores Thorton
- The 3 index cards. Patrice's overview of her life. Brainstorming about my life and happiness. Thinking positive about my life and be around positive people. Gretchen Mickler
- Reaffirmed some things I have already done, or thought about. Ronnell Montgomery
- Related to real life and how to be stress- free.

*These women are so interesting and inspiring. They have accomplished so much in their lives. They truly are creating the lives they want.*

*I am so happy to have been able to spend time with them.*
